THE TERWA
NORDIC HIDEAWAY

A SETTING WORTHY OF YOUR WEDDING

Celebrate your special day in a historic setting where timeless elegance meets serene Nordic nature. At **The Terwa – Nordic Hideaway**, you'll find the charm of a nearly 400-year-old manor estate, breathtaking lakeside scenery, heartfelt hospitality, and an unforgettable culinary experience rooted in local ingredients.

The Terwa beautifully combines cultural heritage and modern comfort in a way that makes every couple sigh with delight. We always offer the possibility to create a celebration that is truly yours – personal, distinctive, and unforgettable from start to finish.

CELEBRATE THE MOST BEAUTIFUL DAY OF YOUR LIFE BY THE LAKE

The Terwa offers historic surroundings for those who cherish Nordic tranquility and natural purity.

Here, you can host weddings of all sizes – from intimate celebrations to grand, multi-day experiences that fill an entire weekend.

Our versatile spaces are just over an hour's drive from Finland's largest cities, yet feel like a world apart. We dare to promise that our enchanting setting will exceed your guests' expectations.

The Terwa estate spans ten hectares of manor grounds, where historic buildings, landscaped gardens, courtyards, and the lakefront form a harmonious whole.

Paths and structures from the estate's past – once devoted to tar burning and iron refining – have been preserved as part of the original landscape, while new buildings respectfully honor traditional architecture.

BECOME PART OF THE REGION'S HISTORY

The Terwa's location on the shores of Lake Kaartjärvi carries thousands of years of history.

Archaeological discoveries include Stone Age dwellings and early-metal-period and Iron Age stone and field cairns. People have lived on this very hill for millennia.

The manor's main building was originally part of Salo Manor, established in the 1600s from five estates and serving as the Laurentz family's cavalry manor for over 300 years.

Its oldest sections date back to 1800, with major extensions from the 1850s.

From the mid-1900s the estate, then known as Riihisalo, operated as a meeting and training center owned by the City of Riihimäki.

Today, The Terwa continues this long tradition – a place where history lives on in the landscape, buildings, and the idyllic atmosphere itself.

We invite you to celebrate life's most meaningful moments with us – and become part of the story.

THE HISTORIC TAR MANOR — THE HEART OF THE ESTATE

The Terwa Manor is the historic heart of the property. Built in 1850 and completely restored, the manor offers accommodation for 20 guests (16 + 4), dining for up to 60 with lake views, a bar and lounge, a wine cellar, and a Rotisseur-level gourmet kitchen.

AN ELEGANT YET WARM SETTING FOR LIFE'S MOST IMPORTANT CELEBRATIONS

The Terwa Manor provides a unique venue where historic atmosphere, refined interiors, and a cohesive layout come together seamlessly. It's ideal for wedding weekends when accommodation, fine dining, and togetherness are desired under one roof. Built in 1850, the fully renovated building functions as an elegant yet welcoming space in every season.

Facilities include:

- Accommodation for up to 20 guests
- Dining hall, lounge, and bar – easily transformed from dinner to evening celebration (approx. 60 people total)
- Wine cellar for 15 guests – perfect for intimate dinners or small programs
- Private professional kitchen and service area
- For weddings over 60 guests, celebrations continue in the Barn Hall (Navetta), where seated dinners for up to 200 guests are served
- Accessible entrance and restroom on the ground floor
- Sound system for speeches and karaoke, high-quality audio throughout

THE BARN HALL — VERSATILE AND ATMOSPHERIC

The Terwa Barn (Navetta) offers historic yet fully renovated premises adaptable for large celebrations, dinners, and private events. Originally built in the 1850s and now completely restored, the spacious stone barn combines authentic masonry and log architecture with modern comforts – creating a memorable setting for weddings, corporate gatherings, and major celebrations alike.

VENUE FEATURES AND POSSIBILITIES

The Barn Hall (Navetta) provides a flexible, multi-purpose setting that can be adapted for both relaxed and traditional wedding styles. Venue features:

- Large loft area adding visual impact and extra space – ideal for lounge or retreat use
- The main hall is fully accessible, ensuring comfort for all guests

- The Stall also works perfectly for bachelor/bachelorette parties as a separate venue.

You can complement your wedding day with intimate moments in the Manor's wine cellar, relaxation in the lakeside sauna, or outdoor activities in nature – making the experience truly unforgettable.

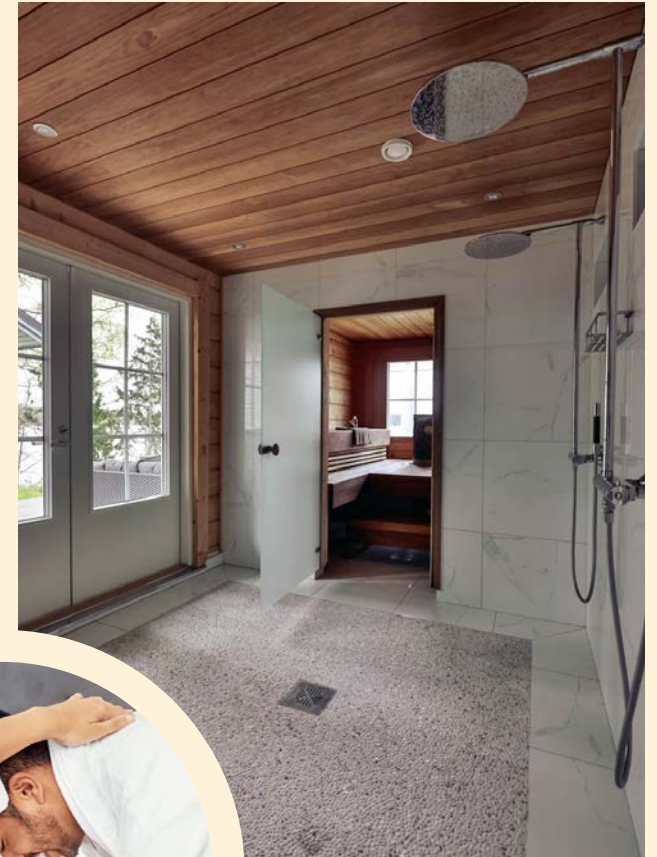

LAKE SPA AND SAUNAS — A PLACE TO UNWIND

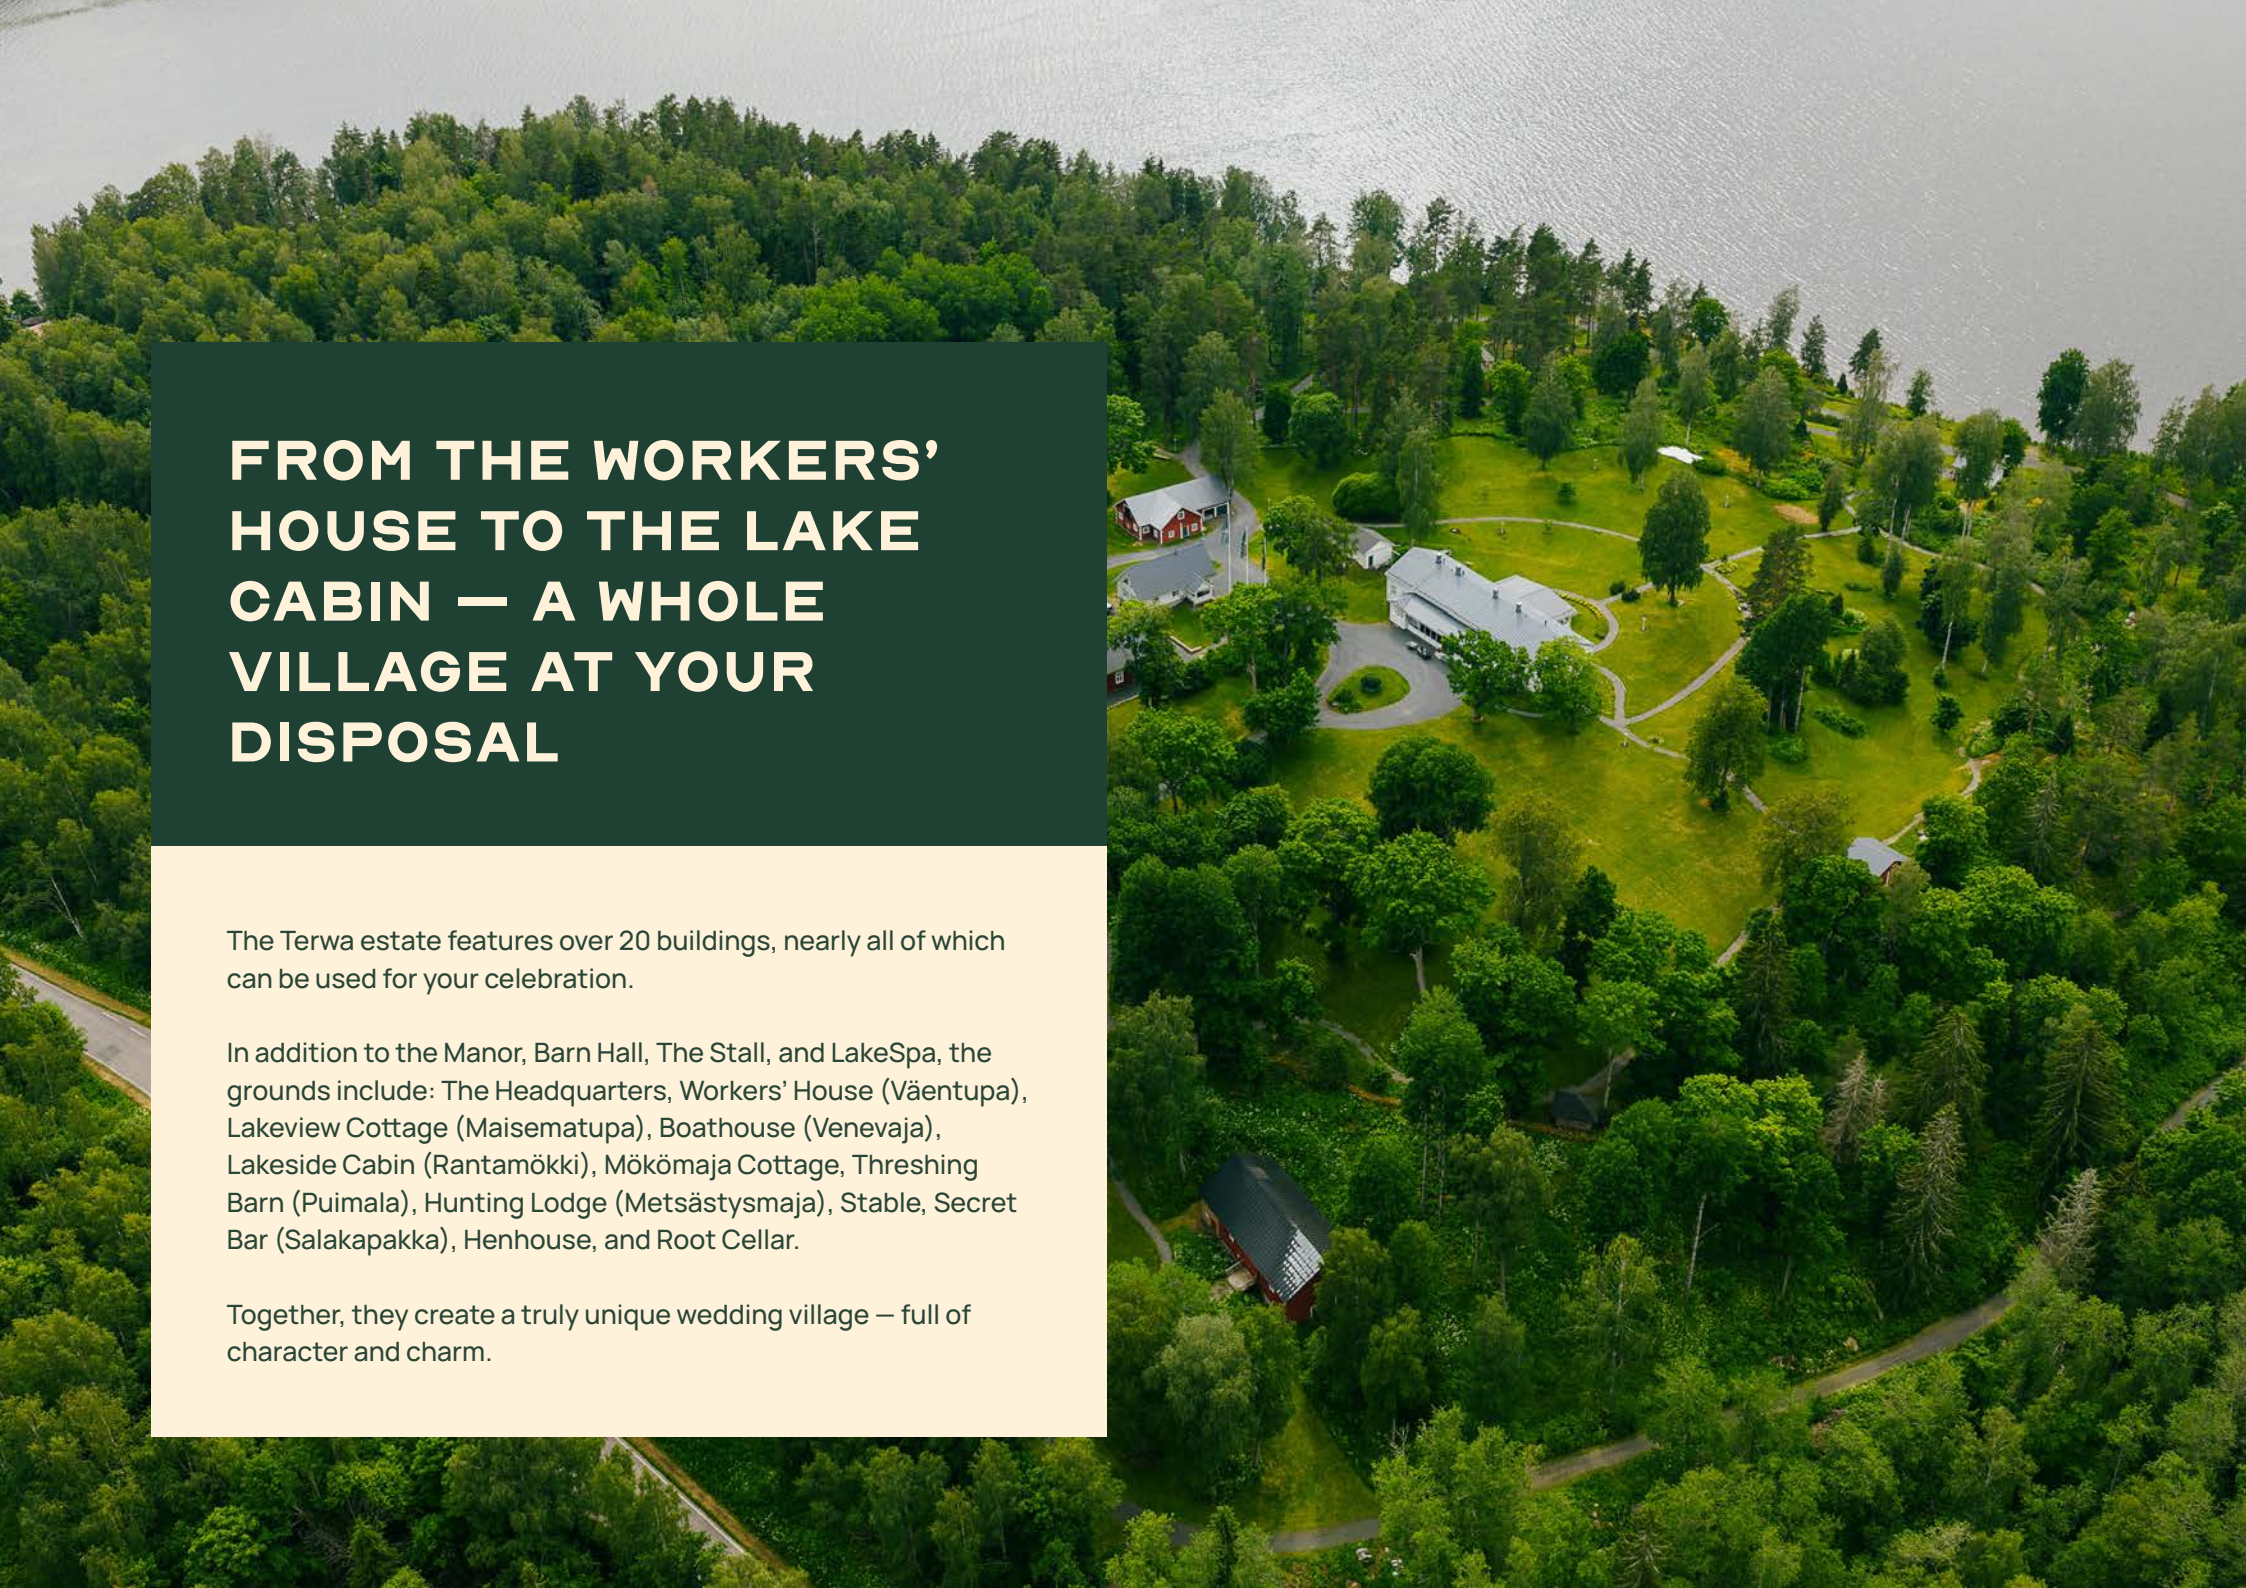

The Terwa – Nordic Hideaway offers a blend of traditional Finnish sauna culture and a modern lakeside spa experience.

Located right by the water, the LakeSpa and its saunas provide an oasis of relaxation, rejuvenation, and togetherness.

Here you can enjoy the gentle heat of a traditional wood-heated sauna, unwind in an outdoor hot tub or wooden jacuzzi, and admire the lakeside scenery all year round.

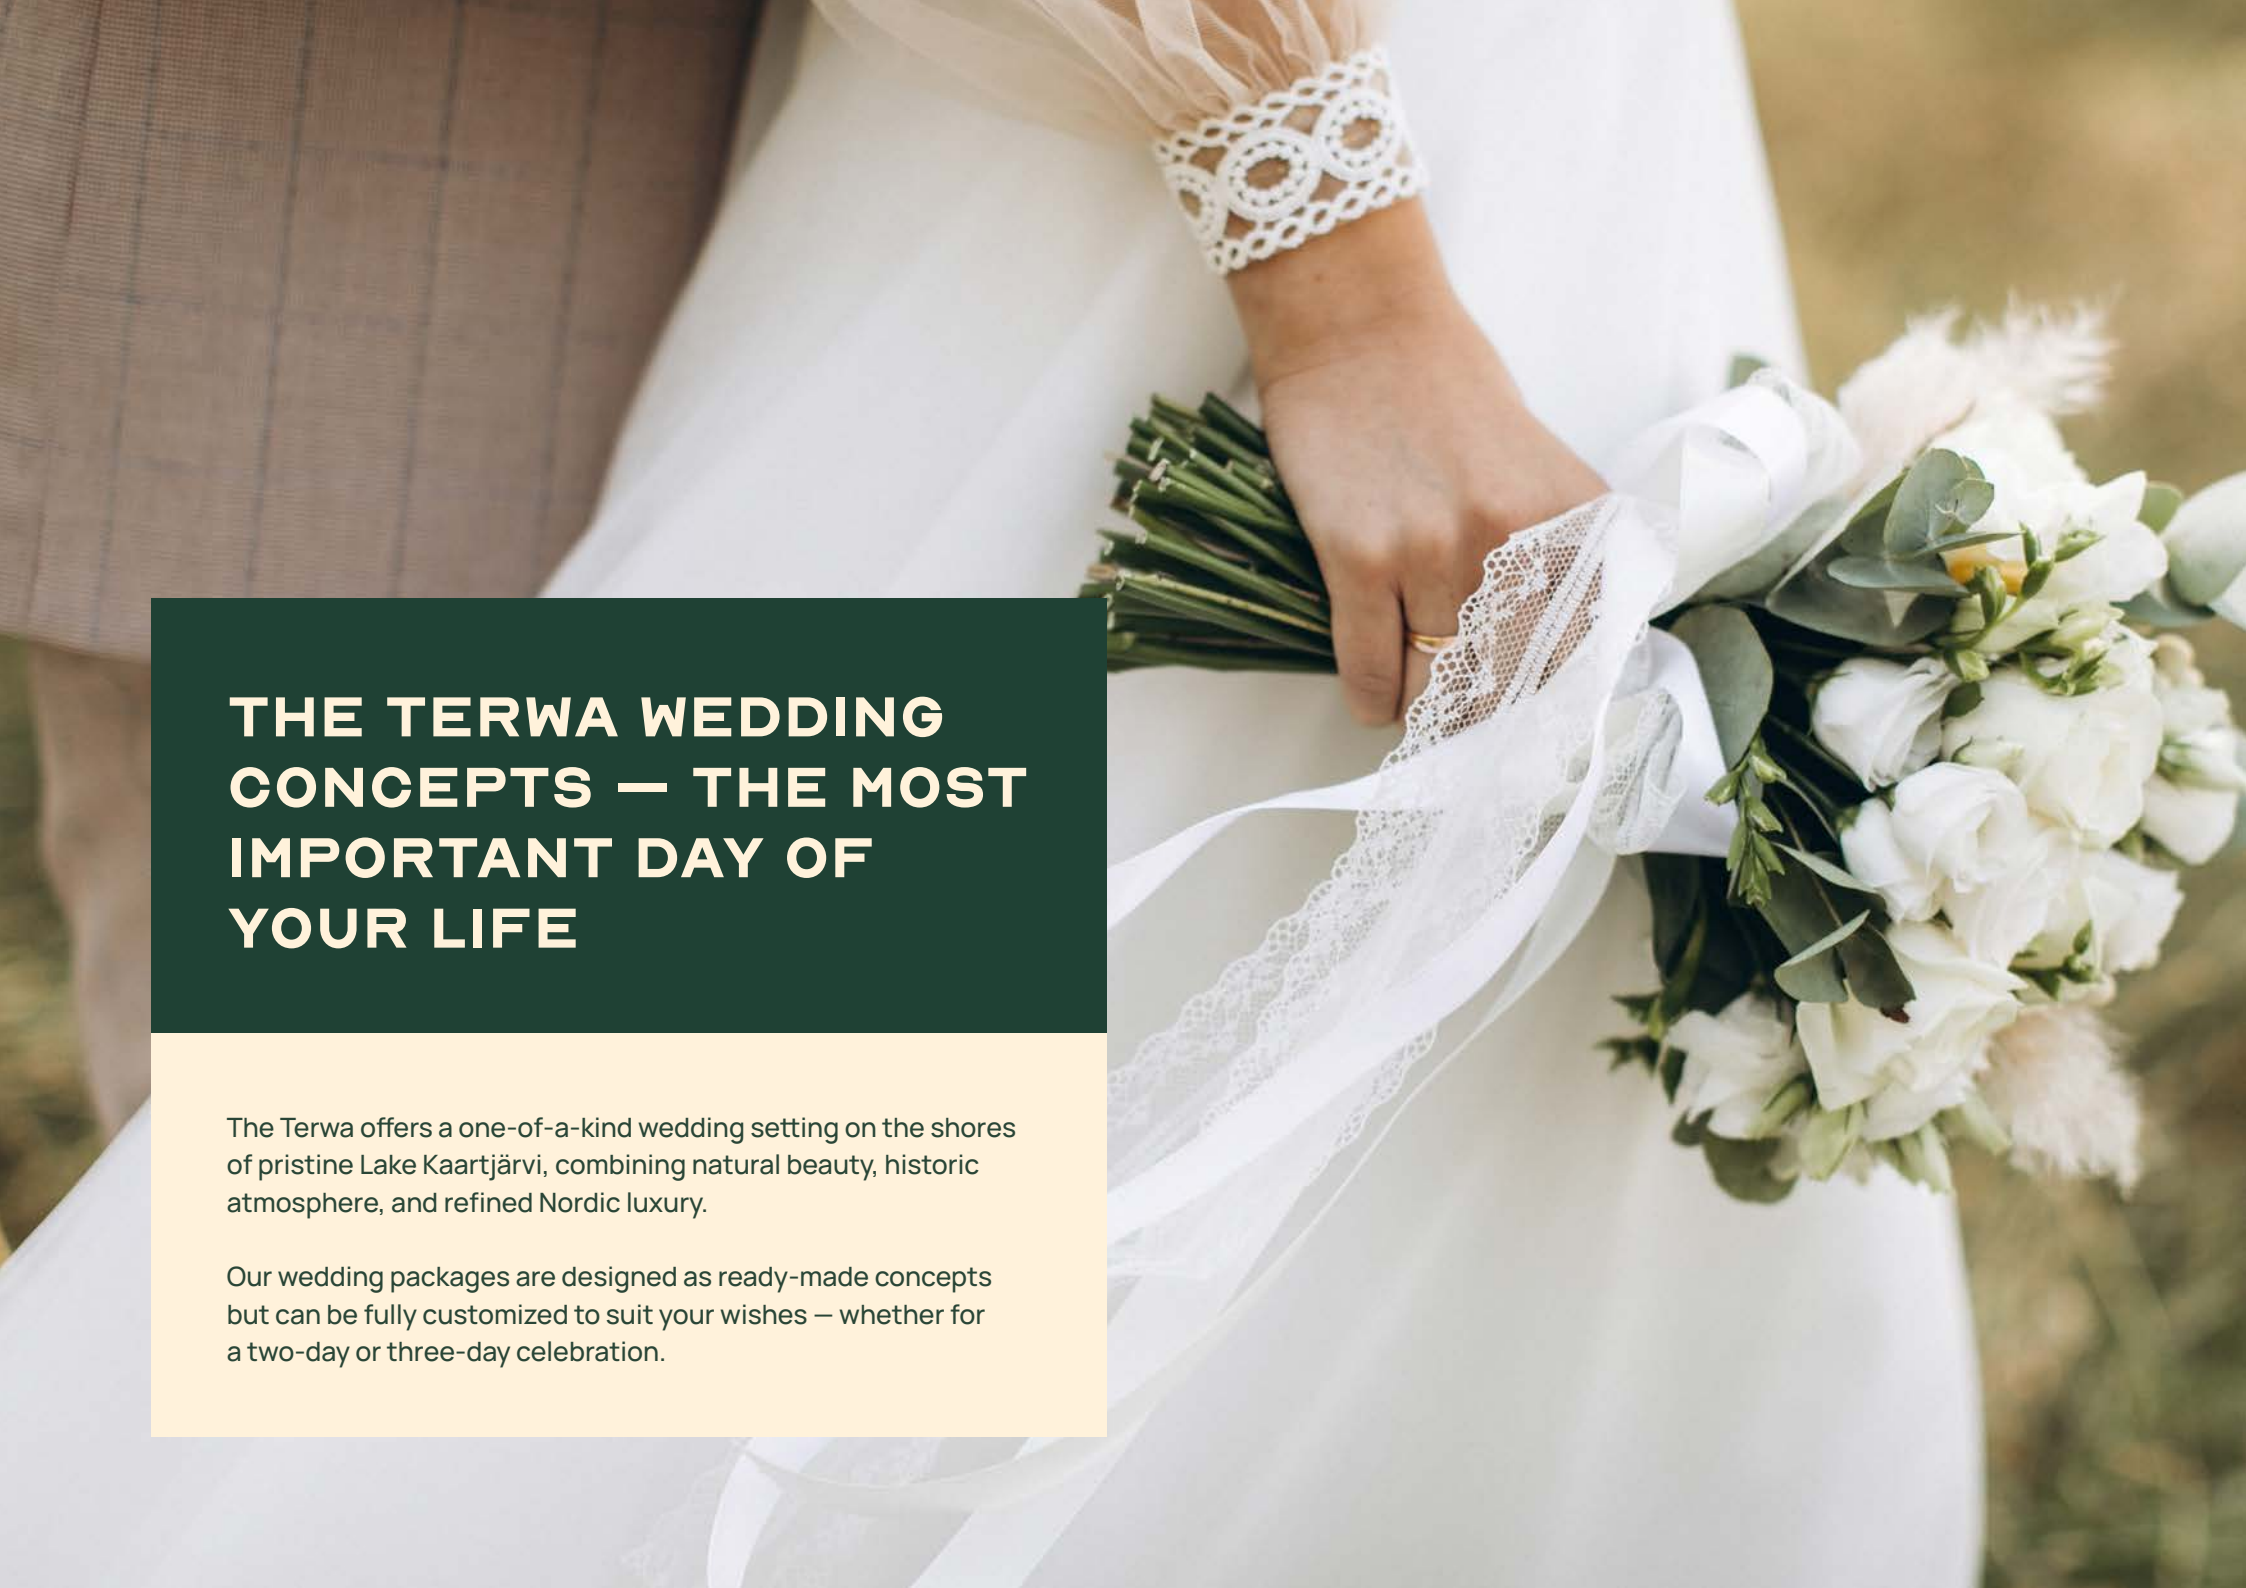

FROM THE WORKERS' HOUSE TO THE LAKE CABIN — A WHOLE VILLAGE AT YOUR DISPOSAL

The Terwa estate features over 20 buildings, nearly all of which can be used for your celebration.

In addition to the Manor, Barn Hall, The Stall, and LakeSpa, the grounds include: The Headquarters, Workers' House (Väentupa), Lakeview Cottage (Maisematupa), Boathouse (Venevaja), Lakeside Cabin (Rantamökki), Mökömaja Cottage, Threshing Barn (Puimala), Hunting Lodge (Metsästysmaja), Stable, Secret Bar (Salakapakka), Henhouse, and Root Cellar.
